MR. CLAUDE PHILLIPS has kindly selected the pictures which appear in this volume. Only in a very few cases were the publishers unable to obtain permission to reproduce paintings which Mr. Phillips wished to include, and they have therefore some reason to be proud of the little book. To those possessors of pictures who have kindly granted facilities for photographing, they tender their sincere thanks. For the benefit of students it should be mentioned that there is in the Castello Sforzesco at Milan an almost exact replica of the Earl of Dudley's picture reproduced on page 14.
